

FRENCH 002 LAB TEST 1

Date: Tuesday November 16 or Wednesday, November 17 during your regular lab hour.

There is no make-up !!! so absentees will get zero unless they have a serious excuse, officially documented.

Place: University College Room 188 or 186, wherever you usually have your lab.

Time: Try to arrive a few minutes ahead of the hour. The test will start at 5 minutes after the hour, and latecomers will not be allowed to enter after the test has begun.

Nature of the test: There are 6 exercises, similar to the exercises done in the audio lab for Chapitres préliminaire, 1 and 2. You will be required to write short answers or circle correct reponses, but not to speak. The test is recorded and will be played to the whole class at once. You will hear the whole test twice, but you won't be able to stop and start the recording yourself.

To prepare: Review the vocabulary of these chapters, the numbers and the alphabet.
